- Use of electronic devices or cell phones are not allowed.
- Snacks will be served, therefore appropriate table manners will be enforced.
- Loud and disruptive language is not allowed.

The "3-Count" Rule

- The Leader gives the clubber "one" for disruptive behavior.
- The Leader gives the clubber "two" if behavior continues. The Club Director intervenes to allow the clubber to explain his or her actions and to remind the clubber of the consequences of receiving a "three".
- If the Leader gives the clubber "three" the clubber is taken to the Commander, where he or she spends the remainder of the club meeting. During this time the clubber receives individual attention from the Commander, working together on the clubber's next handbook section.
- In the event the clubber continues to misbehave, his or her parents/guardian will be called and asked to pick up their child immediately.
- Any clubber dismissed from club with a "3-count" will not be allowed to return to club until the second meeting after the dismissal.
- Any clubber dismissed from club with a second "3-count" will not be allowed to return to club until the third meeting after the dismissal.
- Any clubber with a third infraction will be dismissed for the remainder of the club year.
